About Labhya

Labhya is an India-based nonprofit that enables children from vulnerable backgrounds with the necessary skills to cope with poverty & become effective learners through **Social-Emotional Learning (SEL)**. Labhya is a globally recognised non-profit supported by organisations like Harvard University, Nudge, DRK Foundation, The Commonwealth, UNICEF, and UNDP among other organisations.

Labhya is a dynamic and agile organisation that partners with Indian State Governments to co-create and ensure the implementation of SEL programs at scale. We are one of India's fastest-growing nonprofits dedicated to co-create programs that will impact **30 Million vulnerable children by 2030**.

Currently, Labhya has partnered with the Governments of Delhi, Uttarakhand and Tripura to co-create and ensure the implementation of programs that **impact 2.4 Million children** across 22,000+ government schools in India daily. These social emotional learning programs

are the world's largest and India's first at-scale well-being programs.

We expect the following from you for this role:

**All the below-mentioned tasks would be key to your role. The following requirements are not mentioned in order of priority.*

- Develop grade/organisation specific teaching and learning material primarily pertaining to the concept of social emotional learning (SEL)
- Contextualise curriculum wrt different geographies and socio-cultural contexts
- Facilitate in-person as well as online teacher/trainer training sessions to build capacity as well as prepare detailed training modules (develop interactive lesson plans/activities for different training programs) for their clarity
- Support in documenting & structuring existing programs within the organisation
- Working alongside state teams of Labhya to ensure effective implementation of programs with non-profit multilateral and government partners

Qualifications & Skills / Experience / Characteristics

1. Bachelors/Masters in education, social science, design education, or equivalent.
2. Experience & interest in education research, curriculum design, teacher training
3. An understanding or inclination to understanding Social Emotional Learning, mental health, psycho-social development psychology will be preferred
4. Prior experience of working with children and youth is preferable
5. Fluent in both Hindi & English (written and spoken)
6. Proficiency in Google Docs, Google Sheets, Google Slide, etc
7. Willingness to learn and grow together with the team

Current Team

Our team consists of professionals, educators, SEL experts, and entrepreneurs from prestigious institutions like Harvard University, Massachusetts Institute of Technology (MIT) USA, Azim Premji University, Delhi University, Ernst & Young and KPMG.

At Labhya, we support and foster an environment where questions are always encouraged and collaboration is recognized. We are a home for you if you want to help build something that will enable millions of children to become lifelong learners through systems-level change. You'd also be able to develop your skills and profile by working with an accomplished leadership team and being a part of very rapid growth.

Further, Labhya's values are:

- An agile and supportive team that is driven by a problem solving attitude
 - Focusing on the well-being of children and trusting their potential
 - Working processes that enable efficiency, constant growth and innovation
 - SEL Programs that are driven by proximity and expertise
 - Creating systemic and sustainable change in public education systems through partnership
-
